The OMNI Journey Program will be taking two trips over Columbus Day Weekend! Both trips will build upon teamwork and leadership for youth to experience success, gain insight into problem solving, conflict resolution, and effective communication skills.

- **Mississippi Canoe Exploration**

Canoe a section of the mighty Mississippi River- the largest river in North America - flowing 2320 miles from Minnesota to the Gulf of Mexico! We will be paddling to a remote island and camping.

- **Southern Illinois Climbing Adventure**

Rock climb sand stone bluffs and camp among the trees in the Shawnee National Forest. With over 280,000 acres, the Shawnee is Illinois largest National Forest.

Plan your long weekend to explore new and challenging activities! No previous experience is necessary, all instruction will be provided.

Funding provided in whole or part by DHS/DASA
